

Ciao, Professor Bera!

Come stai?

I've attached an essay I wrote for the intercultura in Malaysia with this e-mail. :) It was a competition and amazingly, I won first place.

In my honest opinion, I don't think I should've won. Well, I really want you to read it. Just for the fun of it!

Just some updates from this side of the world - I've officially started college! It's all still very new and fresh but I'll get used to it. So far, it's been pretty good. New people, new place. However, sadly, my exams are in 6 weeks! It's so soon and there's just SO MUCH to study. Other than that, results for my major public exam which I sat for last year will be out tomorrow. And I'm a nervous-wreck! I hope I'll be able to sleep tonight.

I'd really appreciate it if you could send my regards to the entire class. :)

With lots of Malaysian love,

Anna.
